

REMARKS

The purpose of this Amendment is to put the claims in a better form for review. Claims 51-53 were initially added in the Amendment filed on September 15, 2009. Since the Examiner has stated in the Office Action mailed on January 5, 2010 that claims 51, 52 and 53 are directed to an invention as independent from the invention as originally claimed, the Examiner withdrew these claims from consideration. However, since the present Amendment cancels claims 1-23 and 27, it is submitted that these claims, as well as new claim 54, can be reviewed by the Examiner.

Respectfully submitted,
